SENATOR TYSON: Yeah, and...

SENATOR SCHIMEK: ...basis almost. Right.

SENATOR TYSON: It's difficult to follow. It's difficult for you and I to follow and we're talking about amendments that we did. I think it's difficult for people on the floor to follow in this fashion also, but...

SENATOR TYSON: I am against the state participating in any portion of abortion services, as you know.

SENATOR TYSON: I'm getting at the...what...the law...if this is passed into law, Senator Schimek,...

SENATOR SCHIMEK: Um-hum.

SENATOR TYSON: ...the words say what they say, not what...

SENATOR SCHIMEK: Exactly.
